

# Paddy Cultivation in India

## Districts where SRI is practiced within the NFSM\* Programme

**Raw Data From:**

Ministry of Agriculture, Govt. of India; Directorate of Rice Development, Patna, Survey of India and Various SRI Partners

**Note:**

Data was reported for rice, it has been calibrated to paddy by multiplying 1.54 (100 units paddy = 65 units rice)  
Map represents the most accurate boundaries, they are approximate
